## Autotransformer **JET 500**

#### Standards

Autotransformer to: VDE 0570 Teil 2-13, DIN EN 61558-2-13, EN 61558-2-13, IEC 61558-2-13

#### Advantages

Integrated short-circuit and overload protection

High efficiency

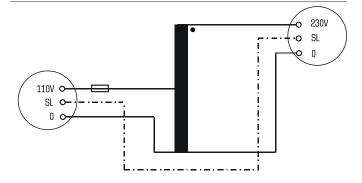

Very good moisture protection and low noise due to  $\mathsf{XtraDenseFill}$  resin encapsulation

Carrying handle, mains connecting lead NEMA5-15 (USA) and socket for portable application

#### Applications

Autotransformer for portable application for the adjustment of the voltage in 110 Vac networks to 230 Vac equipment when no electrical isolation is required.

### Sample application

Approvals

BLOCK Transformatoren-Elektronik GmbH • Phone +49 4231 678-0 • info@block.eu
